Dear Mr. Shilepsky:

We did write to you early this fall about "exchange broadcasts" between WCSR and WHUS, but hearing nothing further from you, we have already completed arrangements with other colleges until the end of this semester.

However, we are very much interested in this type of work and would be very glad to work up an exchange of shows with you for sometime this Spring. I think that it would have to be in the Spring, because of our February elections and the confusion of getting a new board into office.

If after Christmas you will send us a little more information on the type of programs you would like and some possible dates for the "exchange broadcasts," we should be most willing to make more specific plans.

Sincerely,

Janet R. White
